WHICH PROGRAM IS RIGHT FOR ME? ▶

InterExchange Camp USA offers two options for your summer needs.

The Regular Program:

If you live in a country where there is an InterExchange cooperator, you can participate in our regular placement program. Camp USA will find a placement for you, assist with travel, sponsor your J-1 Visa and take care of all the details. Visit our website at www.interexchange.org/apply to determine if you are eligible for the regular program.

The Direct Placement:

If you have already found a camp job or are returning to camp for another great summer, InterExchange Camp USA can sponsor your J-1 Visa through our direct placement program. After you've been hired at a camp and arranged your salary, most of your work is done. You'll need to fill out an application (<http://www.interexchange.org/camp-usa/j-1-visa-sponsor-apply.html>), pay a minimal fee, and we'll get all of visa sponsorship documents and program information to you.

APPLY EARLY! ▶

Applying early to the regular program greatly increases your chances of finding a placement. There is a limited number of spots for third year direct placement counselors, so don't miss your chance for another great summer!
