HOW DOES THE PROGRAM WORK? ▶

Australia and New Zealand are increasingly popular destinations for Americans who want to work overseas. InterExchange works with in-country agencies to help you find jobs and housing, and to provide assistance during your program. Jobs can be long or short-term, office jobs or manual labor, hospitality positions or retail work – you just need to be flexible, energetic, and have a good attitude! When you're not working, you're free to travel the country and explore!
